Thank you to all for contributing – \$105.80 is the latest amount received through the money tin. The amount of \$500 was forwarded to Wycliffe last week, to bring our giving for the year 2020-2021 to a total of \$1,000 as decided by Church Council.

Happiness – Psalm 1

Happiness is the person who shuns unloving ways, who is not attracted by apathy or sarcasm, but finds delight in Jesus' teaching, testing it out by day and by night.

Such people are like great red gums growing by the riverside, flowering every season, defying drought, and constantly putting forth new growth.

Not so unloving people; they are like grass in a willy-willy. When pressure is on they can't take it, nor can they stand the company of good folk, Those who love have their taproots in God; the unloving are rootless. The Lord can work with loving people, but the unloving work their own ruin.
